• The signature of the new major advisor must appear above. The signature of the former major advisor is requested for informational purposes only. It does not signify permission or consent on the part of the former major advisor. The new major advisor must hold an appointment to The Graduate Faculty specifically in the student's field (and area of concentration, if any) and also for the level of the degree program to which the student has been admitted. If the student is changing fields, ordinarily a new application for admission is required rather than this form.

• Changes of associate advisor should be reported on the Request for Changes to Plan of Study form.
